Community Emergency Response  
Team (CERT) Basic Course - Hybrid  
Training

[Open Curriculum](#)

Select the module you want to do, and click LAUNCH:

The screenshot displays the user interface for the Community Emergency Response Team (CERT) Basic Course - Hybrid Training. On the left, a sidebar shows a progress indicator at 0% and a list of training units. The main content area lists three training units, each with a 'Launch' button. A pink arrow points to the 'Launch' button for Unit 1: Disaster Preparedness.

**Community Emergency Response Team (CERT) Basic Course - Hybrid Training**

**Training Units**

0% Completed : 0 Min Required : 9 Total Items : 9

Unit	Status	Due	Action
UNIT 1: Disaster Preparedness	Status : Registered	Due : No Due Date	Launch
UNIT 2: CERT Organization	Status : Registered	Due : No Due Date	Launch
UNIT 3: Disaster Medical Operations	Status : Registered	Due : No Due Date	Launch

The module will pop open a new window, and you can work through it to completion.

Continue with all modules in the CERT Basic Course – Hybrid Training until you have completed all of them. The site will track your progress.

## FIND & PRINT YOUR COMPLETION CERTIFICATE!

Once you have completed all of the modules, you will need to capture your completion certificate to show your in-person trainers. You may receive an email from [help@merit.com](mailto:help@merit.com) regarding tracking your progress on the modules – you are welcome to use this service to track your progress, but it's not necessary. What will be required by your in-person trainers is the FINAL completion certificate. Here's how you can find that:

Be sure you are logged in to the California Specialized Training Institute Learning Management System website at: <https://bit.ly/CERTonline2023>.

Click the "BROWSE TRAINING" button and scroll to the Community Emergency Response Team (CERT) Basic Course – Hybrid Training" again.

The page will show you have completed the course. On the top right, click on the link to YOUR TRANSCRIPT:
